

What: Medical Student Journal Club!

Topic: Hepatitis C

When: Tuesday, April 24, 6-8 pm

Where: In Tucson: COM-T, 3230

In Phoenix: COM-P, B 402

Directions to the room and parking information will follow once you register!!

That is dinner time! YES, a light meal will be served... JUST REGISTER, so we'll know you'll be there!!

Who is doing this? You have **ATSU- KCOM to thank** for providing leadership for locating the articles and leading the discussion of this topic of active and vigorous clinical debate.

How does it work? Each Program is assigned a relevant Journal Article - they are attached to this message. Each Program will prepare and present their article. Make sure you read all of the other articles as well as your own so you can actively participate!

Visit this link to register: <https://www.surveymonkey.com/r/TWW7P67>

You can attend in Tucson or in Phoenix - there is a teleconference link!!

Information about Assigned articles are BELOW.

Register NOW!! See you there!!

Here are the articles... the last two are links to documents in PDF form.
