CONTINUING EDUCATION CREDIT

Who should attend: Physicians, Medical Directors, Nurses, Long-term Care/ Assisted Living Facility Administrators, Social Workers, Case Managers, Therapists, Educators, Students, all professionals caring for older adults.

Learning Objectives

- Describe the current trends of national and local opioid prescribing and use in the aging population.
- Identify opportunities and strategies to support high quality opioid prescribing in the older patient.
- Identify a patient who is appropriate for hospice consideration and be able to present this option to the patient and family.
- Discuss changes that occur over time in people with dementia that create demands.
- Explain how to support and meet the care needs of older adults with end-stage dementia in their home setting.
- Discuss current non-operative treatments for patients presenting with low back pain.
- Explain the process of assessing and addressing frailty in older adults.
- Review common prognostication tools and incorporate into practice.
- Create an action plan for a mirthful environment in your practice setting.

Physicians: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Medical Directors: This live activity has been pre-approved by the American Board of Post-Acute and Long-Term Care Medicine (ABPLM) for a total of 13 hours toward certification or recertification as a Certified Medical Director (CMD) in post-acute and long-term care medicine. The CMD program is administered by the ABPLM. Each physician should claim only those hours of credit spent on the activity.

Nurses: The University of Arizona Center on Aging, an Approved Provider of the California Board of Registered Nursing, CEP 14824, has approved this program for 13 contact hours.

Social Workers: This program has been approved by the National Association of Social Workers, Arizona Chapter for 13 hours of Continuing Education Credit.

NICA (LTC/ALF) Administrators: This program has been approved by the Board of Examiners of Nursing Care Institution Administrators and Assisted Living Facility Managers for 13 continuing education credits for managers and administrators of long term care and assisted living facilities.

Case Managers: This program has been pre-approved by the Commission for Case Manager Certification to provide continuing education credit to CCM® board certified case managers. The course is approved for 13 CE contact hour(s).
