

# BEHIND BIO5

## MEET THE SCIENTISTS

The BIO5 Institute brings together interdisciplinary researchers to tackle grand challenges in health.

WEDNESDAY, APRIL 3, 2024  
4:30-7 P.M.

### JOIN US FOR AN EVENING OF TOURS, FIRESIDE CHATS, AND POSTER PRESENTATIONS

Meet researchers behind the collaborations that forge innovative solutions for evolving disease, nutrition, water, and food safety challenges impacting Arizona and beyond. Not only do we make discoveries and create better technology, but we also transfer those innovations from the labs to our community.

Register for a Tour  
(Space is limited!)

Listen to fireside chats  
with UArizona  
researchers

Enjoy the KEYS Alumni  
Showcase
