Accolades

Our very own Lucy Contreras (Program Coord Sr for the Clerkship Program) was nominated for one of the Lura Hanekamp Awards of

Excellence, administrative category. The 22nd Annual Employee Recognition Awards Ceremony was held in DuVal auditorium on April 11, 2013. Lucy was one of four candidates in the 32-40+ pay grade and although she did not win the definitive prize, she felt honored to share the stage with other standouts in the administrative field.

Lucy has been with the University for a total of 18 years all of which have been with the Department of Medicine. Comments made by her nominators included:

- "completely reorganized and revitalized a highly complex clerkship program in disarray"
- "she is the 'go-to' person for all of the 3rd and 4th year medical students including visiting medical students often working from home in the evenings and weekends"
- "no matter what challenges the day brings she always has a smile!"

Congrats Lucy!
