

Inaugural DoM Staff Art/Craft Fair

On Thursday August 29th we held the first administrative staff Art/Craft Fair. Laura Vitkus displayed her artwork, Heather Hendrych showcased her photography via video stills and, Martha Aragon and Ginger Dorey displayed their substantial jewelry creations. Everyone who attended really appreciated this respite in the middle of our work day and many thought we should have a second Art/Craft Fair before the winter holidays. It was mentioned that perhaps mid-November might work well and it was further suggested that we should consider opening it up to admins in other departments to seek out more artists who might enjoy showing off their skills as well as more patrons.

Here are some candid photos of the event! Heather Hendrych & Laura Vitkus stand near some of Laura's paintings (left); Melanie Tournquist & Angie Hessell admire jewelry created by Ginger Dorey (below); Tanya Gonzales enjoys jewelry designed by Martha Aragon, (bottom left)
