Internal Medicine Graduation Roast

Your last Goldman Rounds

I am here to lie to you Nurse Pierce is here to tell you the truth

Problem: Nobody ever remembers what was said at their graduation speech

So at least you will remember this one as short

Thank God there is no treatment for sinus tachycardia

Saul Rosenberg MD, Stanford 1972

Practical Advice

When I was an intern they said:

"Be nice to the nurses, it is easier to get a new intern than a new nurse."
