

# CREATING IMPACT THROUGH COMMERCIALIZATION

## PREPARING YOUR SBIR/STTR PROPOSAL

JOIN US ON JUNE 15, 2020 VIA ZOOM

LIFE SCIENCES: 12:00 - 2:00 PM

ENGINEERING, OPTICS, SOFTWARE: 3:00 - 5:00 PM

### ABOUT THIS SERIES:

SBIR/STTR grants are excellent funding resources to continue research and create impact through commercialization.

Over the course of three sessions, our expert speakers will provide an overview of SBIR/STTR grants, share the lessons they learned, and provide step-by-step guidance through the application process.

#### Save the dates:

Session 2 is on July 8

Session 3 is on July 29

### FOR GRADUATE STUDENTS & POSTDOCS:

Learn about funding to turn research into a business and a career beyond graduation.

### FOR FACULTY:

Learn how you, your graduate students, and your postdocs can obtain funding to continue and amplify research and impact through commercial pathways.

### SESSION 1 WILL COVER:

- Summer Series Overview
- SBIR/STTR Basics
- Award Stories and the Impacts They Made!
- How Do I Begin?
- Top Tips for Success!

### LIFE SCIENCES:

- Hear from Jen Koevary, Ph.D., Jordan Lancaster, Ph.D., and Dr. Steven Goldman from Avery Therapeutics, a UArizona Startup

### ENGINEERING, OPTICS, SOFTWARE:

- Hear from Shiva Planjery, Ph.D. and Bane Vasic, Ph.D. from Codelucida, Inc., a UArizona Startup

**CHOOSE ONE OR ATTEND BOTH!**
