

## RESEARCH TO INNOVATION SHOWCASE

Tuesday, March 3, 2020

2:30pm - 5:00pm

Thomas W. Keating Bioresearch Building  
1657 E. Helen St., Tucson, AZ, 85721

Learn more about some of the exciting solutions UA colleagues and mentors are working on to solve societal problems reflecting the broad range of BIO5's interdisciplinary research scope, including projects in progress.

With a goal of promoting possible collaborations, this event is open to faculty, students, and staff across the UA community and will showcase the novel research supported and cultivated by the BIO5 Institute and performed by BIO5 faculty members and trainees.

**RSVP**

Questions contact **Amy Randall-Barber** at [amyrandall@bio5.org](mailto:amyrandall@bio5.org) or (520) 626-3001.
