

CLINICAL TRIALS DEVELOPMENT WORKSHOP

Friday, June 21, 2024

Health Sciences Innovation Building (HSIB) Forum
1670 E. Drachman St., Tucson, AZ 85721

Join us for a free professional development event aimed at clinical investigators of all experience levels looking to increase clinical trial working knowledge. UArizona and Banner faculty, fellows, residents, and clinical trials support staff are encouraged to attend.

Speakers include experienced clinical investigators, regulatory experts, and basic scientists to give you a peek behind the scenes of the clinical trials landscape. All in-person attendees receive continental breakfast, all-day coffee, and lunch.

Hosted by

Rachna T. Shroff, MD, MS

Interim Clinical Affairs Director, UArizona Cancer Center
Associate Dean, Clinical and Translational Research
Professor, College of Medicine – Tucson
Chief, Division of Hematology/Oncology

Need guidance?

Stick around for an interactive Q&A, where panelists will answer questions about navigating the clinical trials landscape at the College of Medicine – Tucson.

MEET THE EXPERTS

Panelists: Sairam Parthasarathy, MD; Daniel C. Butler, MD; Aaron J. Scott, MD
