Banner Health has required that I receive seasonal influenza vaccination in order to protect myself and the patients I serve. An updated exemption form must be completed and submitted yearly.

This Religious Beliefs Exemption form must be completed and returned to Employee Health/Occupational Health Services. Return forms to:

- **Employees, volunteers, medical staff, contract personnel and students:**
  Forms may be returned by fax to Occupational Health at 602-839-0383 or scanned and emailed to NoFluForYou@bannerhealth.com
- **Vendors:** Forms should be submitted to the appropriate department or individual in your company, and must be maintained for inspection upon request by Banner Health.

I request to be exempt from the seasonal influenza vaccination due to my sincerely held religious beliefs.

I understand that because I work in a health care environment I may place patients and co-workers at risk if I work while infected with the influenza virus.

I understand that since I have been exempted from the influenza vaccination that I will be required to wear a mask upon entry to any Banner Health facility in which patients may be present, and at all times during a scheduled shift except while eating in a break room or cafeteria, for the duration of the influenza season (generally December 1-March 31). I understand that masking is required to support the infection prevention policies and practices at Banner Health.

☐ Employee ☐ Student
☐ Medical Staff/Allied Health ☐ Volunteer
☐ Contract Personnel ☐ Vendor
