

Coming Soon: Banner – University Medicine Cardiology Clinic

Supporting the heart health of adults of all ages, Banner – University Medicine Tucson is proud to announce the upcoming opening of our new Cardiology Clinic. Our team includes specialists in general/non-invasive cardiology, heart failure and transplant, interventional cardiology and women’s cardiology, providing a personalized approach to care for a variety of heart conditions and disorders. Our new clinic features 16 state-of-the-art exam rooms, one pacemaker/device room, one cardiac stress room and two echocardiogram procedure rooms. This new clinic is just around the corner from Banner Cardiovascular Center – Tanque Verde, an ambulatory surgery center offering outpatient cardiovascular procedures to those in Southern Arizona.

Introducing our specialists:

- Iniya Rajendran, MD | General Cardiology
- Jerome Yatskowitz, MD | General Cardiology
- Craig Hoover, MD | Interventional Cardiology
- Nanda Pallela, MD | Interventional Cardiology
- Ravi Vuthoori, MD | Interventional Cardiology

Ready to make a referral?

At Banner – University Medicine Cardiology Clinic, we understand the importance of open communication and collaboration between health care providers. For any scheduling or patient-care related inquiries, our dedicated team is readily available to assist.
