

Medicine Grand Rounds

"Uric Acid Urolithiasis: An Integral Part of the Metabolic Syndrome"

Speaker: Orson Moe, MD

University of Arizona College of Medicine – Tucson Lecture Hall, Room 5403 1501 N. Campbell Ave., Tucson, AZ 85721 Noon – 1:00 pm | Wednesday, April 9, 2025

-A light lunch will be provided. -

About the Presenter: Dr. Moe is a Professor of Internal Medicine and Physiology at the University of Texas Southwestern Medical Center and Director of the Charles and Jane Pak Center for Mineral Metabolism and Clinical Research. His work spans education, clinical practice, research, and administration. His research focuses on renal physiology, mineral metabolism, and epithelial biology, with a particular interest in nephrolithiasis, electrolyte disorders, chronic kidney disease complications, and metabolic bone disorders. An active educator globally, he co-edits *Seldin and Giebisch's the Kidney*:

Physiology and Pathophysiology and Current Opinions in Nephrology and Hypertension. He is a member of the American Association of Physicians, American Society of Clinical Research, American Physiologic Society, and International Society of Nephrology.
