Medicine Grand Rounds

“TBA”

Speaker: Jeremy D. Walston, MD

UArizona College of Medicine – Tucson
Lecture Hall, Room 5403
1501 N. Campbell Ave., Tucson, AZ 85721
Noon – 1:00 pm | Wednesday, Jan. 10, 2024

— A light lunch will be provided. —

About the Presenter: The Raymond and Anna Lublin Professor of Geriatric Medicine and Gerontology and professor of medicine, Dr. Walston is director of the Johns Hopkins Human Aging Project (HAP), deputy director of the Division of Geriatric Medicine and Gerontology, principal investigator of the Johns Hopkins Older Americans Independence Center and co-director of the Biology of Healthy Aging Program. His research focus is on determining the biological characteristics that promote resiliency and healthy aging, and on the translation of that knowledge into diagnostic, preventive and treatment strategies that promote a long and healthy life. He received his medical degree from the University of Cincinnati College of Medicine and completed his residency in general internal medicine and the Fellowship Training Program in Geriatric Medicine and Gerontology at the Johns Hopkins University School of Medicine in Baltimore.
