About the Presenter: Dr. Robert Wachter is professor and chair of the Department of Medicine at the University of California, San Francisco (UCSF). In 2022, the Department was ranked the best internal medicine department in the nation by U.S. News & World Report. Dr. Wachter is author of 300 articles and six books. He coined the term “hospitalist” in 1996 and is often considered the “father” of the hospitalist field, the fastest growing medical specialty in U.S. history. He is past president of the Society of Hospital Medicine and past chair of the American Board of Internal Medicine. He has written two books on safety and quality, including “Understanding Patient Safety,” the world’s top selling safety primer (now in its third edition). His 2015 book, “The Digital Doctor: Hope, Hype and Harm at the Dawn of Medicine’s Computer Age,” was a New York Times science bestseller. In 2004, he received the John M. Eisenberg Award, the nation’s top honor in patient safety.
