1501 N. Campbell Ave., Tucson, AZ 85721
Noon – 1:00 pm | Wednesday, Sept 18, 2024

– *A light lunch will be provided.* –

About the Presenter: Dr. Corban is a board-certified interventional cardiologist and clinical researcher with expertise in percutaneous coronary interventions, coronary physiology, and structural heart disease interventions. He is also an associate professor of medicine in the Department of Medicine's Division of Cardiology and at the Sarver Heart Center at the University of Arizona College of Medicine – Tucson. Dr. Corban received his medical doctorate from the American University of Beirut in Lebanon. He then completed a postdoctoral research fellowship in interventional cardiology and his internal medicine residency training at Emory University in Atlanta, followed by a cardiovascular disease fellowship, an interventional cardiology fellowship, and an advanced fellowship in structural heart disease interventions at the Mayo Clinic in Rochester, MN.
