About the Presenters: Dr. Merchant is Regents Professor of Medicine and Chief of the Division of Gastroenterology/ Hepatology at the University of Arizona. She holds a joint appointment in the Department of Physiological Sciences and the Department of Physiology, is Associate Director for Basic Research, and more recently, is interim Director of the UA Comprehensive Cancer Center.

Dr. Junaid Arshad is an Assistant Professor of Medicine and faculty member of GI Medical Oncology. Dr. Arshad is a Clinical and Translational Scientist with a focus on developing novel therapeutics for several areas of Upper GI Oncology. Dr. Arshad's Clinical and Research focus targets mainly the Upper GI Oncology including Gastrointestinal Stromal Tumors, Gastric Cancers, Esophageal Cancers and Neuroendocrine Tumors. He is a part of several clinical trials and has contributed to several peer reviewed publications. He has expanded his areas of research interest to include other disease modalities such as Neuroendocrine Cancers.
