COLLEGE OF MEDICINE TUCSON

Department
of Medicine

Medicine Grand Rounds

“Preventing Death from Esophageal Cancer”

Speaker: **Nicholas J. Shaheen, MD, MPH**

University of Arizona College of Medicine – Tucson

Lecture Hall, Room 5403

1501 N. Campbell Ave., Tucson, AZ 85721

Noon – 1:00 pm | Wednesday, Dec 11, 2024

– A light lunch will be provided. –

About the Presenter: Dr. Shaheen is the Bozymski-Heizer Distinguished Professor of Medicine at the University of North Carolina School of Medicine, and the senior associate dean for clinical research at the UNC School of Medicine in Chapel Hill. He is principal investigator of UNC’s Clinical and Translational Science Award, and director of NC TraCS, the North Carolina Translational and Clinical Sciences Institute that’s home to UNC’s CTSA. Dr. Shaheen’s research interests center on gastroesophageal reflux disease and pre-cancerous and cancerous conditions of the esophagus, including endoscopic treatment of Barrett’s esophagus. He has authored more than 400 publications on these topics. Dr. Shaheen also is PI on multiple NIH grants investigating aspects of esophageal disease.
