Endocrinology, Diabetes & Metabolism Grand Rounds

CME provided by The University of Arizona College of Medicine - Tucson

SPEAKER: Matthew W. Hulver, Ph.D.
Professor and Department Head,
Human Nutrition, Foods, and Exercise
Assistant Dean of Health Sciences,
College of Agriculture and Life Sciences
Co-Director, Center for Transformative Research on Health Behaviors

TOPIC: “Metabolic adaptation to dietary change in humans: why do some do better than others”

Room 8403, College of Medicine-Tucson
DATE: 1/8/19  TIME: 3:00-4:00

Outcome Objectives:
1) Describe variations in metabolic adaptation in humans
2) Identify metabolic phenotype of adaptors vs. nonadaptors to dietary change
3) Identify potential mechanisms of metabolic flexibility in skeletal muscle.

Accreditation Statement:
The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement(s):
