

Rheumatology Grand Rounds

CME Credit provided by The University of Arizona College of Medicine – Tucson

Friday, January 26, 2024
Eric P. Gall Endowed Lecture

Richard Panush, MD, MACR, MACP

Emeritus Professor of Medicine, Division of Rheumatology, Department of Medicine
Keck School of Medicine at USC
University of Southern California

“Rheumatic Diseases in Art, History, & Literature”

Rheumatology Grand Rounds: 9:00 – 10:00 AM
ZOOM Videoconference

Join from PC, Mac, Linux, iOS or Android: <https://arizona.zoom.us/j/81256307573>

Learning Objectives: Participants should be able to understand:

1. The history of rheumatic diseases
2. How rheumatic diseases are represented in art, and, to a lesser extent, literature
3. How rheumatic disease and related illness influenced historical figures, indeed history
4. How the appearance of rheumatic diseases at certain times in the arts and history might provide insights about possible etiopathogenesis
5. How certain extraordinary contributions to the arts were created by individuals with rheumatic disorders

Target Audience: Physicians and other healthcare providers

Methodology: Grand Rounds Lecture

Accreditation Statement:

The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Relevant Financial Relationships Statement(s):

University of Arizona Continuing Medical Education adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers or others, are required to disclose all financial relationships with ineligible entities (commercial interests). All relevant financial relationships have been mitigated prior to the commencement of the activity.

If you have any questions, please contact the Division of Rheumatology at 626-4111.
