

Rheumatology Grand Rounds

CME Credit provided by The University of Arizona College of Medicine – Tucson

Friday, January 6th, 2017

Zaynb Hassan, MD

Fellow, Division of Rheumatology
The University of Arizona Arthritis Center

“How to evaluate numbness and tingling in a Sjögren’s syndrome (SS) patient”
and
“CNS Vasculopathies: Challenging Mimickers of primary angiitis of the central nervous system”

Radiology Conference: 7:30 a.m. – 8:30 a.m.
Rheumatology Grand Rounds: 9:00 a.m. – 10:00 a.m.
Chase Auditorium – Room 8403

Learning Objectives for How to evaluate numbness and tingling in a Sjögren’s syndrome (SS) patient:

Participants should be able to:

1. Define how the lyricism that SS patients use to describe their neuropathic pain experience provides insight into mechanisms which can guide choice of therapies
2. Evaluate clinical characteristics, ancillary studies, and immunological findings associated with distinct subtypes of SS peripheral neuropathies
3. Integrate language of neuropathic pain with objective diagnostic studies to understand when to institute immunomodulatory versus symptomatic medications

Learning Objectives CNS Vasculopathies: Challenging Mimickers of primary angiitis of the central nervous system:

Participants should be able to:

1. Recognize non-inflammatory vasculopathies that can mimic CNS vasculitis
2. Identify key clinical features that differentiate non-inflammatory vasculopathies
3. Discuss the diagnostic approach to suspected CNS vasculopathy

Target Audience: Physicians and other health care providers

Methodology: Grand Rounds Lecture

Accreditation Statement:

The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement(s):

All Faculty, CME Planning Committee Members, and the CME Office Reviewers have disclosed that they have no financial relationships with commercial interests that would constitute a conflict of interest concerning this CME activity.
