

Rheumatology/Radiology Grand Rounds

CME Credit provided by The University of Arizona College of Medicine – Tucson

Friday, April 12th, 2019

Hani Rashid, DO

Fellow, Division of Rheumatology
The University of Arizona Arthritis Center

“Should platelet-rich plasma or stem cell therapy be used to treat osteoarthritis?”

Radiology Conference: 7:30 a.m. – 8:30 a.m.
Rheumatology Grand Rounds: 9:00 a.m. – 10:00 a.m.
Chase Auditorium – Room 8403

Learning Objectives: Participants should be able to:

1. Understand the basis for using platelet-rich plasma (PRP) and mesenchymal stem cell (MSC) therapy for the treatment of osteoarthritis
2. Understand the research that supports the use of PRP and MSC in knee osteoarthritis
3. Understand how PRP and MSC therapy is being marketed directly to consumers despite lack of FDA approval

Target Audience: Physicians and other health care providers

Methodology: Grand Rounds Lecture

Accreditation Statement:

The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 2.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement(s):

All Faculty, CME Planning Committee Members and the CME Office Reviewers have disclosed that they have no financial relationships with commercial interests that would constitute a conflict of interest concerning this CME activity.
