CME Credit provided by The University of Arizona College of Medicine – Tucson

Friday, June 5, 2020

Jawad Bilal, MBBS & Helene Kramer, DO
Fellows, Division of Rheumatology
The University of Arizona Arthritis Center

“Difficult Cases”

Rheumatology Grand Rounds: 9:00 – 10:00 AM
ZOOM Videoconference
Join from PC, Mac, Linux, iOS or Android: https://uahs.zoom.us/j/761778892

Jawad Bilal, MBBS – “Diagnostic and Therapeutic Challenges in a Dying Patient”

Learning Objectives:
1. Case presentation of patient with nonspecific skin eruption and micro thrombosis.
2. Differential diagnosis of thrombotic microangiopathy with focus on rheumatological etiologies.
3. Diagnostic and therapeutic challenges in treating TMA.

Helene Kramer, DO – “Post-Transplant Rheumatoid Arthritis”

Learning Objectives: Participants should be able to:
1. Describe the challenge of treating rheumatoid arthritis in a solid-organ transplant recipient.
2. Briefly review the role of anti-rejection medications in rheumatology and explain if there is a role for anti-rejection medications in the treatment of inflammatory arthritis.
3. Describe the potential role for co-stimulatory blockade in the treatment of autoimmune diseases and solid organ transplantation.

Target Audience: Physicians and other healthcare providers

Methodology: Grand Rounds Lecture

Accreditation Statement:
