Email: marianglacy@gmail.com

I am an internal medicine/pediatrics hospitalist working at Flagstaff Medical Center. I am pursuing a fellowship in infectious diseases. My interests include tuberculosis, rural and Native American health, and tropical medicine.

Professional Experience

Internal Medicine/Pediatrics hospitalist

Flagstaff Medical Center, part of Northern Arizona Healthcare
2016 – present

- Care for patients on internal medicine hospitalist and pediatric hospitalist services, with a typical patient census of 14-18 daily
- Consult for other services on evaluation and management of internal medicine and pediatric conditions

Education

Vanderbilt University Medical Center, Nashville, TN

Combined Internal Medicine and Pediatrics residency, 2012 – 2016

Johns Hopkins University School of Medicine, Baltimore, MD

Medical Doctor, 2008 – 2012

University of Arizona, Tucson, AZ

B.S. in molecular and cellular biology
B.A. in Near Eastern Studies and English
Summa cum laude
2003 – 2008

Leadership Experience

COVID Best Practices Committee

April 2020 – present

- Develop therapeutic algorithms and guidance for the treatment of patients with COVID-19
- Educate providers at Northern Arizona Healthcare and across Northern Arizona

Pharmacy and Therapeutics Committee

Internal medicine and pediatrics hospitalist representative

2018 – present

- Review data and processes involving hospital formulary and order sets
- Review data on adverse medication events
- Communicate changes and guidance to hospitalists

Teaching Experience

Hospitalist Attending, North Country Community Healthcare Family Medicine Residency

2020 – present

- Provide formal and informal didactics three times weekly to residents
- Supervise and provide feedback on resident patient care

Tropical Medicine Course Preceptor, Texas Tech University School of Medicine

2018 – 2019

- Precepted annual tropical medicine course for medical students at Texas Tech University, which culminated in a 2-week trip to King George Medical University (KGMU) in Lucknow, India
- Organized student activities and communicated with clinicians at KGMU with the goal of teaching students firsthand about tropical medicine and global health
- Lectured on pertinent topics, including fever in the returning traveler, treatment of diarrhea in resource-limited settings, and evaluation of the acutely ill child

Co-chief Resident, Vanderbilt University Medical Center

2015 – 2016, PGY-4 year

- Med/Peds Co-chief responsible for organizing weekly didactics involving a range of topics and variety of instructors

Research Experience

Investigator for CDC Tuberculosis Epidemiologic Studies Consortium (TESC), Vanderbilt University Medical Center

2015 – 2016

- Developed a study on risk factors for missed study visits in patients diagnosed with latent tuberculosis infection
- Analyzed and presented data to CDC TESC group and at IDWeek

Research Writer for review of *Clostridium difficile*, Johns Hopkins School of Medicine

2010 – 2012

- Wrote a comprehensive review of *C. difficile* infection, epidemiology and treatment as part of a larger review of anaerobic infections by Dr John Bartlett, Director of Division of Infectious Diseases at Johns Hopkins University School of Medicine

Student Researcher, Johns Hopkins School of Medicine

2009

- Researched epidemiology of mood disorders and suicide in Native American adolescents and presented data at two Adolescent Depression Awareness Program meetings
- Helped develop a mental health curriculum taught in high schools on Sioux and Navajo reservations.

Research Technician, University of Arizona

2008

- Collected health data on elementary students in Tucson, Arizona, in order to design community, school, and after-school health and nutrition programs.

Volunteer Experience

Mobile Clinic Organizer, Kathmandu Valley, Nepal

June 2007

- Worked with local NGOs and religious organizations to provide a mobile clinic
- Collected medical equipment and medication from the US and arranged for transport to clinic
- Set up the clinic, created processes for patient triage and examinations, and provided prescription medication education

Nurse's Aide, Nazareth Hospital, Nazareth, Israel

July – December 2006

- Worked full-time as a nurse's aide in the hospital's medical-surgical ward

English Teacher, Coptic Orphans Organization, Matay, Egypt

May – August 2005

- Taught a beginner's English course to middle school children at an orphanage in southern Egypt

Medical Clinic Assistant, Delta Valley Region, Nigeria

June – July 2005

- Assisted doctors with patient triage and prescription medication education
- Gave health and sex education talks at local middle and high schools

Board Certification/Medical Licensures

American Board of Internal Medicine 2016

American Board of Pediatrics 2017

Current BLS, ACLS, PALS and NRP certifications

Current Arizona medical license

Current DEA license

Professional Associations

Fellow of the American Academy of Pediatrics

Member of the American College of Physicians

Member of the National Med Peds Residency Association
