February 13, 2019 • All Day, 7 AM – 6 PM  
HEALTH SCIENCES INNOVATION BUILDING (HSIB)

Early Bird Data Blitzes at 7 AM | Networking Reception at 4:30 PM

***RSVP to reserve your space and meals***

*Meals provided throughout the day, including breakfast, lunch, and snacks.*

**[www.medicine.arizona.edu/research-day](http://www.medicine.arizona.edu/research-day)**

***Come for the full day and find new colleagues!***

*An all-day event connecting faculty, staff, postdocs, residents, graduate and medical students across the UA*

## ***TED-style Keynotes***

Three keynotes throughout the day on the frontiers of Integrative Medicine, Brain Science, and Machine Learning

## ***Data Blitzes***

Presenters give 2-minute overviews of their research.  
Over 90 presenters throughout the day

## ***Shark Tank-style Competition***

Researchers pitch new and early ideas with a clinical endpoint.  
A prize of \$10k will help the winner pursue their venture.

## ***Demonstration Session with Networking Hour***

End the day with heavy hors d'oeuvres and beverage service and hands-on demos
