of Medicine

Sarver Heart Center Special Lecture

“Cardio-Oncology 2024: Bridging Clinical and Scientific Frontiers”

Speaker: **Vlad Zaha, MD, PhD**

UArizona College of Medicine – Tucson
Tower 4, Room 5403
1501 N. Campbell Ave., Tucson, AZ 85721
Noon – 1:00 pm | Wednesday, June 26, 2024

– A light lunch will be provided. –

About the Presenter: Dr. Zaha is an Associate Professor of Internal Medicine, Biomedical Engineering and Cancer Biology. He serves as Section Chief of Cardio-Oncology, Director of the Cardio-Oncology Program at the Harold C. Simmons Comprehensive Cancer Center, recognized by the International Cardi-Oncology Society as a Gold Center of Excellence, and Director of the Cardio-Oncology Fellowship Program at UT Southwestern Medical Center in Dallas, Texas. Dr Zaha is a clinician-investigator, bridging multimodality advanced cardiovascular imaging translational studies and patient-centered clinical cardiac care, focused on cardio-oncology.
