## LOOKING FOR AN EXCITING CAREER?

Come and meet representatives and employees from biotech, biomedical and life science companies.

SINE connects undergraduate and graduate students in life sciences, medicine, engineering, computer & information sciences, and business to internships and jobs in the Arizona bio-industry.

A pre-SINE workshop from 3:00-4:00PM will provide an opportunity to meet with industry and UArizona career specialists in a small group.

**RSVP at <http://bit.ly/36dCPcf>**

*Space is limited*
