HERO AWARDS

Help Us Recognize Exemplary Faculty & Staff: Third Annual UACC Hero Award

At the University of Arizona Cancer Center, we are grateful to have so many talented, kind, and dedicated individuals on our team. Often, our days are so full we forget to stop and appreciate those going above and beyond expectations. Therefore, we'd like to ask for nominations for the UACC Hero Award.

The purpose of this award is to recognize outstanding achievement, exceptional contributions, service, and unity. Criteria address employee/faculty achievements in programmatic efforts with significant impact on research at the center. Nominees should be engaged in activities that support a combination of strategic efforts, such as collaboration, efficiency efforts, operational support, team morale building, research and/or research supportive activities, and mentoring, which promote research excellence.

We will recognize a four people for the 2018 Hero Award, highlighting both faculty and staff from Tucson and Phoenix. Each awardee will receive a \$100 gift card and an appreciation award. Additionally, all awardees will be recognized on a plaque to be displayed publicly within the UA Cancer Center.

Nominations are due by November 30, 2018. Visit uacc.arizona.edu/hero-award for more more information and to submit your nominations.
